

LINE
BASKET

resistent - sustainable - inteligent

The Basket line is perfect for daily use in commercial establishments, such as: hypermarkets, supermarkets, bakeries, grocery stores, pharmacies, perfumeries, convenience stores, etc... Basket line baskets offer greater safety and comfort during handling thanks to the their rounded corners have hollow areas for ventilation and product viewing, they are washable and optimize space as they are stackable. Available in 2 versions: Handles and Handle/wheel. Best-selling product for the following segments: pharmaceutical and food.
